

M ILYAS & SONS

STEEL FABRICATORS

About Us

Ilyas & Sons are highly established mild steel and stainless steel fabricators and have been since 2005. The business is a privately owned company, which has grown and flourished over the last 57 years, nationally and internationally, assisting with all manner of projects from small to large.

OUR FOCUS IS ON GETTING THE JOB DONE ON TIME, WITHIN BUDGET, TO THE HIGHEST STANDARDS.

we are passionate about achieving quality outcomes and delivering smart solutions to our client's needs and challenges.

We are Karachi based fabrication company committed to exceeding client's expectations by delivering products Of the highest quality on time and at a competitive price. Our business has an outstanding track record of partnering with our clients to deliver results in all facets of engineering; From quoting and designing to fabricating. We take great pride in our work and are firmly committed to delivering Impressive results for our clients every time.

Our commitment to clients, our competitive pricing, and our proven ability to think laterally places Smart Fabrication At the forefront of the engineering and metal fabrication industries.

The Way We Do Things

Ilyas & Sons achieves high quality outcomes for our clients through a constant focus on continuous Improvement, quality work practices and investing in the ongoing training and professional development Of our experienced staff. This is how we do things and what we stand for, and this is our commitment to our clients.

Our Mission

We don't do average! We deliver first rate solutions. We employ class-leading expertise. It's not just what we do, but how we do it.

Our Values And Expected Behaviors

Ilyas & Sons prides itself on a strong, family-based culture which it has actively worked at developing and refining Over more than 15 years. Integral to this culture are our core values, which have come from our staff themselves. Our expected behaviors set out exactly what we expect from our people to ensure we live our core values.

Honesty

"We do the right thing, every time"

Treat others with integrity and respect Accept responsibility for our own mistakes Make realistic and achievable commitments Do what you say you're going to do

Progressive

"We're forward thinking to remain ahead of the pack"

- Think outside the box and challenging the status quo
- Continuously develop ourselves on a personal and professional level
- Open to new ideas and new ways of doing things

Efficient

"We aim to do better today, what we did yesterday"

Be organized

- Think before you do
- Challenge "the way we've always done things" to find better ways
- Minimize waste in time and resource

Outstanding

"We go the extra mile"

- Stand out from the rest for the right reasons
- Go above and beyond what's expected – we don't do average!
- Action-oriented, ambitious and hard working
